

教育—— 扭转人生

古人曾有云：“玉不琢，不成器，人不学，不知义，是故，古之王者，建国君民，教学为先。”

这句古文道出了教育和教师所扮演角色的重要性。KO教育补习中心，是一家高品质服务，拥有优秀教育体制的教育补习中心。人性化格性服务让KO教育补习中心，不仅在家长心中是非常值得信任的补习中心，而且在本地也是相当有名望的教育补习中心。因为一流的口碑，很多家长都带着自己的孩子慕名而来。KO所代表的含义是：让每个孩子突破自己的思想束缚，相信自己可以克服所面对的障碍，取得成功。

提点 走上教育之路

王俊义从小就是一个喜欢帮助他人的人，当别人犯错的时候，勇敢的站出来指出他人错误，并热心的帮忙他人改善。他就是这样一个热心肠善良的人。从小的愿望是要做一名监狱警官，感化监狱里犯罪的人，并帮助犯人改正错误，引导犯人走向光明正途。但是当

他的老师和朋友知道了他的梦想后就说：“为什么你要在他人犯错之后才去感化罪人和帮助罪人改正错误呢？为什么不要在他人还没犯错的时候，就指引他人上正途呢？”一言惊醒梦中人，要成为一名教育工作者的愿望在王俊义心里重燃而生。

2003年年仅18岁的王俊义凭着自己不懈的努力，在义顺学前学后托管中心租下一间小房间做补习课室，并且还提供一对一的上门辅导服务。

时间是最好来衡量一个人能力的标准。王俊义优秀的教育，随着时间的推移，名声也慢慢广为人知。很多家长带着孩子不怕艰辛的从不同方向如：榜鹅，宏茂桥，淡滨尼等赶来补习补课。因为小的教室已经没办法容纳那么多学生，所以在2012年6月KO教育补习中心搬迁到义顺一间有两间课室的店铺，一个班级9个学生。

2014年3月在淡滨尼22街开设了第2间分行，拥有4间课室的KO教育补习中心。

2015年年头义顺的两间课室

的补习中心，搬迁到现在的义顺61街，共有四个课室。

专注 引领品质教育

KO教育补习中心目前拥有27位优秀的教职工，并且经验相当丰富。主要辅导课程有：数学，科学和英文等。从小学一直到中学，还专门为小六会考，‘O’水准，‘N’水准和直通车的孩子，开设补习班。每年的6月都会开设额外的课程，用KO特设的教案，为中小学毕业生加强补习。每堂

课长达3小时。

最重要的是KO教育补习中心的营业方式与一般的补习中心不同，一般补习中心在收纳学生之前都会有一个测试，达到一定分数标准才能进入补习中心补课。而KO教育补习中心完全没有这个设置，不管孩子们的成绩如何，KO教育补习中心都收纳，不拒绝任何成绩好坏的孩子。而且价格非常平民化，并有能力把孩子们的学习成绩提高到一个飞跃性的突破。王俊义认为，成绩越差的孩子，才更需要人关心和教师的帮助。

KO教育补习中心的教师都很认真的对待每一堂课。教师们把握每分每秒的教学时间。在细心和耐心的教导下，确保每个孩子都能掌握当天的学习技巧，才进行下一堂课的培训。所以在半年内很多成绩不理想的学生进入KO教育补习中心学习后，成绩从F9一直提升到A1。2014年一位就读义顺普通邻里小学的小六会考生，高依慧，经过KO教育补习中心的教导后，以全校第1名顺利进入莱佛士中学继续深造。这样成功的案例在KO教育补习中心是非常之多的。

身为KO教育补习中心的董事长，王俊义进修了身心语言程序学的课程(Neuro-Linguistic

Programming), 成功成为执行师。目的是为了利用这技能通过与孩子对话和聊天的方式，了解孩子的学习问题和薄弱环节出现在哪里。这样他便能用更多更好更快捷的方法，帮助孩子们解决问题。同时，在百忙之中，每个星期王俊义在补习中心都会抽出两天的时间亲自教导学生，其他时间他会督促补习中心的老师，让他们不断的进步和改善自己。为了提高补习中心的素质，他会严格要求老师在知识上更加精益求精。无论孩子在家里或学校遇到了难解的问题，只要与中心联系，KO教育补习中心都会提供他们最快捷最全面的解答和细心辅导。更加与众不同的是，KO教育补习中心每年都会召开两次家长会，分别是6月和12月，目的是让家长更加明确的知道自己孩子学

习的进度与需要加强的地方，每一年KO教育补习中心都会让孩子们设立自己的学习成绩目标，只要经过一年努力达到设立的成绩目标，就可以参加补习中心组织的年底外出活动和颁奖典礼。这都是KO教育补习中心用来激励孩子热爱学习的独特方式。

细心 追求更高层次提升

KO教育补习中心细心、专注的独特教育模式，得到了很好的验证。不仅吸引了各个地区的家长带孩子过来补习，而且口碑也是得到了非常好的相传。

KO教育补习中心会更加精益求精，在未来几年让补习中心往更高层次提升。也希望更多的孩子能通过KO教育补习中心细心的教导后，未来的路走的更稳更远。

Keith Ong, abbreviation of which is KO, is the Managing Director of KO Tuition Club. Ironically, the name of KO Tuition Club is not adopted from the initials of Keith Ong.

In reality, the “KO” in the name KO Tuition Club stands for Knocking Out Obstacles to Achieve SUCCESS!!

What a brilliant well-thought out motto for this promising, fast-paced tuition club set up by a brilliant young man to groom brilliance for the younger!

BEGINNING OF SUCCESS

In 2003, at age 18, Keith Ong, began providing one to one home tutorial service. Through the help of a friend, he rented one of the rooms in a Student Care Centre at Yishun to provide tutorial services on a group basis.

The provision of his services gained immense response and proved reputable. In 2012, due to overwhelming response, he moved out of the Student Care Centre and shifted to a bigger unit within the vicinity to cater to students from other parts of Singapore hoping to secure a learning place in KO Tuition Club (KOTC).

Due to overwhelming response and to cater to the demands in the eastern part of Singapore, Keith proceeded to open another centre at Tampines in March 2014. Both the Yishun and Tampines branch have 4 learning rooms each.

As an MOE registered learning entity, KO Tuition Club maintain strict adherence to MOE syllabus (curriculum) with experienced and dedicated teachers. Adopting goal setting with motivational strategies and to cater for a nurturing learning environment, the class size is kept at a ratio of

one teacher to 9 students. Parents get progressive updates from KO Tuition Club on the learning progress of their children.

For the past 12 years, KOTC has been offering tuition services of the highest quality, specializing in English, Mathematics and Science to Primary, Secondary and Integrated Program (IP) students.

To better prepare students sitting for national examinations i.e. PSLE, GCE 'O' and 'N' Level, KOTC specially conduct a Booster Programme during the school holidays. These lessons usually for a minimum of 3 hours are conducted once a week for each subject.

WHY TUITION CLUB

Termed Tuition Club, KOTC aims to position themselves as an educational club where students find themselves in good hands; are assured of the commitment and passion given by the teachers in helping them to improve not only academically but also in realising the students' true potential through nurturing and holistic methods.

UNIQUE CURRICULUM

KOTC adopt the concept of conditioning students to manage the challenges of the Singapore Education System by being proficient in their relevant school subjects. Besides keeping in-line with the LATEST MOE SYLLABUS, learning is instilled using the centre's unique learning methodology ASSESSMENT, REVIEW AND ASSESSMENT and in-house unique programmes to enhance students' learning experiences.

FOUNDER

Since young, he visualizes himself to conduct reformative and sharing sessions for prisoners and nurse an ambition to be a Senior Prison Officer. It

was his close friends and lecturers at the University who shared the notion that these educational reformations should commence right from the start and not until when errors or crimes have been committed. These wise words of wisdom enlightened Keith Ong; opened his eyes and he began his journey of a well-respected career...

Young, passionate, enthusiastic and dynamic, Keith Ong, aged 29, has been a trainer since 2003, primarily focusing on the development of personal effectiveness, performance enhancement, leadership and character development.

With excellent educational credentials, Keith Ong graduated with a degree in Business Management from RMIT, scoring distinctions in most of the modules. Keith has attended Eric Jensen's Learning Skills and Engagement for Underperforming Students and numerous other leadership courses and professional training workshops. To profound his specialities, he learnt to identify and make significant changes to a person's intentions and behaviours to achieve outstanding results through his attainment of the Neuro-Linguistic Programming (NLP) Certification.

TEACHING TEAM

KOTC takes pride to have a team of dedicated teachers who are:

- Current School Teachers (MOE)
- Ex-School Teachers (MOE)
- NIE Trained Tutors
- Full Time Tutors
- Subject Specialists

EVENTS

Annual Parents Meeting and Prize Presentations for presenting trophies and certificates are held at the

end of each year at 500 seating capacity auditorium.

At the beginning of the year, each student is asked to present a goal setting plan. Only when the goal is achieved at the end of the year, then the student will qualify for outdoor excursions. Visits to places for older students recently included 'Doughwork' at Pasta Mania Restaurant, Sports related activities and 'Dialogue in the Dark' to enable students to empathize with the underprivileged. For younger kids, they will get to enjoy indoor playground activities.

MISSION

Whilst other tuition centres impose mandatory profiling tests to determine enrolment criteria, KOTC totally dispenses such requirement.

In so doing, KOTC does not discriminate students for eligibility and accepts students with the weakest results to the best results.

KOTC adheres to their mission “to assist students in advancing successfully in the Singapore Education System and mastering proficiency in their relevant subjects through the provision of First-Class Educational Support and the commitment of our highly qualified and dedicated teachers.”

VISION

The continued word of mouth referrals and numerous testimonials by parents and students served as standing testament of a job well done by the entire team at KO Tuition Club.

KO Tuition Club as a leader in the education arena aspires to be the premier education club for providing all-rounded nurturing and development of students to help them with 'Knocking Out Obstacles To Achieve SUCCESS!!'
