

Good morning to all valued parents, teachers, guests and friends. I would like to thank everyone for attending today's prize presentation ceremony. I am Chua Jia Xin from Northland Primary School.

Time really flies, doesn't it? I had already spent 6 years in Northland Primary School and KO Tuition Club [KOTC] learning and growing. Now, I am moving on to the next chapter of my life, Secondary School. Of course, all these would not have been possible without any help. Therefore, I'd like to take this opportunity to thank people who have been helping me, be it with my academics or my emotions.

Firstly, I would like to thank a certain person in my family. This person is no other than my sister, Jia Qian. She is one of the people I look up to. There was once, I was discouraged that I might not go to the dream school as my results were not up to expectations. When I told her about this, she told me a quote by Virat Kohli which I will never forget. **"Self-belief and hard work will always earn you success."** After hearing that, I was motivated to work harder. Thank you very much!

Secondly, I would like to thank these two teachers, Ms. Yee and Mr. Ong. To be frank with all of you, I wasn't exactly a smart kid when I first entered KOTC. From Primary 1 to Primary 5, Ms. Yee has guided me for English and Mathematics. Surprisingly, the results I received were beyond my expectations! Thank you Ms. Yee! From Primary 6 onwards, Mr. Ong took over Ms. Yee's role. The Primary 6 syllabus was harder than I had imagined. As a result, my CA 1 results plummeted. Luckily, Mr. Ong managed to clear my lingering doubts before SA 1. Consequently, making my results go back to normal. Thank you so much!

Thirdly, I would like to thank my parents and friends. They are like my stress busters! My parents would bring me out to eat while my close-knitted group of friends always make me laugh. With them, I have an outlet to ventilate my stress. Last but not least, I would like to thank my Northland Primary School teachers. Thank you for all of your guidance in these 6 years.

I can never sufficiently express how grateful I am towards them. Once again, thank you. Last but not least, congratulations to all prize winners! Thank you for your kind attention.
