

Kunalkumar
Valedictorian Speech
Northland Primary School → Anglo-Chinese School [IP]

Good morning to all valued teachers and parents and a big hello to my fellow friends. First and foremost, thank you for taking time out to be here with all of us and attending KO Tuition Club's [KOTC] Annual Prize Presentation Ceremony. I am Kunalkumar from Northland Primary School.

KOTC has helped me to be a much better person by teaching me the great importance of time. I have been more punctual than ever since I joined KOTC. Mr Ong, has always been my role model. I liked his enormous sense of humour. He cracks hilarious jokes during lesson to make the lesson livelier. He also knows when to get serious and continue with the lesson. I would like to thank KOTC and Mr. Ong for shaping me into who I am now.

Northland Primary School [NLPS] has always been a great help for me. I think that I am very lucky to get such wonderful teachers. I would like to highlight a teacher in NLPS who has backed me up with strategies to tackle many questions. She is Mdm. Chan, my Science teacher in school. She has taught me how to solve many questions easily. She has also taught me how to plan my time wisely. She has helped me with techniques to make revisions a breeze.

I loved this quote, "**Change will not come if we wait for some other person or some other time**"-Barrack Obama. All of us know that time flies. We also know that every one second is precious. During the four stressful months before PSLE, my parents will console by asking me not to worry about the impending examinations. Be calm and success will come after you. After that I was so motivated to study harder. I would like to thank my family for being such great motivators in my life.

Last but not least, I hope you have enjoyed this prize presentation ceremony and my heartiest congratulations to all prize winners. Thank you for your kind attention.
